Hi Donna,

I wanted to share with you some recent information on the Fox Solar project for which the County worked on a Major Pre-Application and Certificate of Compliance. As you will see from the attached emails, Infigen informed us that they will not be proceeding with the submittal of a Major Use Permit nor the proposed Certificate of Compliance.

Please let me know if you have any questions.

Thanks,

Ashley

Ashley,  
Infigen Energy has decided to terminate Fox Solar and withdraw from the San Diego County MUP process. The project is too small to be profitable due to the slope analysis and the high interconnection costs.

Sincerely,  
Dave Savage
